We are currently seeking a licensed Hearing Instrument Specialist or Audiologist for a position located in KANSAS CITY, KANSAS.

This position is with a nationwide hearing aid company that is putting hearing centers inside one of the largest retailers in America. This is an excellent opportunity to serve the hearing impaired in a state of the art testing facility with all new equipment.

Our client has multiple locations across America (OVER 100) and has already developed an excellent reputation for the service it provides in the hearing industry.

These opportunities have an excellent base salary (\$ 60- \$70 K PER YEAR-no commissions-with a BONUS PLAN THAT CAN ADD AN ADDITIONAL \$ 8 K PER YEAR TO YOUR BASE SALARY) and full benefits. A brief training period is provided at full pay. You must be licensed to sell hearing aids in the state of KANSAS. HOURS ARE TUESDAY THROUGH SATURDAY 9 AM-6 PM.

If you know of anyone who may have an interest please forward our information or if you may have an interest please reply by sending us a one paragraph summary of your hearing industry experience. We will be in touch within twenty four hours to discuss this opportunity.

**Best regards,
Jim Phillips
