

Pediatric Audiologist

Children's Mercy Hospitals & Clinics are committed to providing service excellence and efficiency to everyone we serve, which is achieved through leadership in education, research and clinical care. We focus exclusively on children and their unique needs. We currently have an opening at our Children's Mercy South location in Overland Park, KS.

Our hospital has a unique opportunity for an experienced Pediatric Audiologist to work full-time in an exciting, fast-paced Hearing & Speech Department and Cleft Palate-Craniofacial Clinic. The successful candidate will be provided the opportunity to work in an educational and teamwork environment, an outstanding facility and utilize state-of-the-art equipment. Minimum requirements include a Master's Degree in Audiology, state audiology and hearing aid license, current ASHA certification and a minimum of 1-2 years of experience. Children's Mercy Hospital's and Clinics offers great benefits, competitive pay and enormous job satisfaction.
