

AUDIOLOGISTS WANTED UNITED KINGDOM

The United Kingdom is full of history. It is a fascinating place to live and work. From the modern hustle and bustle of city life to the quaint thatched roof villages there is no where else in the world like it.

Our client is a private healthcare provider who partnerships with the NHS. They have a couple of independent treatment centres, as well as an acute homecare/nursing service that covers London. They are very modern, innovative and up and coming in the UK health sector.

Requirements:

- Minimum of 2+ year's experience
- Hold a western qualification – ideally Bachelor of Science in Audiology
- Immediate start

Contracts are between 1 – 2 years.

Current locations are:

- South East London – Sussex
- Surrey
- Kent
- And possibly reaching London
