April 1, 2011

CLINICAL FELLOWSHIP OPENING

Immediate full-time opening for a bilingual Spanish CCC-SLP or CF-SLP.

We are a group of 7 bilingual Spanish pediatric speech-language pathologists practicing in the greater Boulder/Denver Colorado area with a focus on Early Intervention and delivering services in the natural environment. Our interests include poverty, public health, Latino family culture, and developing self-care skills with a view to maintaining a healthy, long-term career in a service field. We provide extensive mentoring for the clinical fellow, far surpassing ASHA's guidelines.

Please fax or email your resume and references to the attention of: Scarlet Larkin, Director

F: 303.702.0108 scarletlarkininc@gmail.com

Starting salary range for the bilingual CF: 28.00 to 30.00 per clinical contact hour, two-weeks paid vacation, several types of insurance provided, plus a paid quarterly inservice day for research and learning. More details upon application.
