# KU Core: Important Notes

- Some courses may count for multiple learner outcomes
  - HOWEVER, you can only count a Core course once
  - You pick where you want the course to count
  - E.g., LING 106 meets Goal 1 (Outcome 1) and Goal 4 (Outcome 2)
    - You can only count it in one place
    - YOU choose EITHER Goal 1 or Goal 4
    - Your DPR will make an initial placement for you based on where it “thinks” you need to use it.

# KU Core: Important Notes

- Major and Minor requirements can meet KU Core requirements
  - E.g., SPLH 161 and SPLH 566 meet Goal 3 Social and Behavioral Sciences
  - SPLH 497, SPLH 498 and SPLH 660 meet Goal 6
  - You do NOT have to choose here
  - The course can count for KU Core and for your Major/Minor requirements

# KU Core Important Notes

- New courses are being added to KU Core; Old courses removed
- Courses that you have taken that don't currently count, COULD count in the future
- re-check <http://kucore.ku.edu/courses> regularly (e.g., end of this semester, middle of next semester) to see if any of your completed courses fulfill Core requirements

# SPLH Advising Reminders
